

06/04/2011

Press Release:

The Irish Islamic Chamber of Commerce has been established recently to achieve the following objectives:

- 1) Promote bilateral trade (mainly export) between Ireland and Muslim countries (OIC countries)
- 2) Promote and enhance compliance with Islamic business and finance practices in Ireland.
- 3) Promote and develop contribution of Muslim community in the Irish economy.

The growing demand for of alternative model to the conventional financial & taxation system and the importance of exportation to Irish economy encouraged businesses in Ireland from different backgrounds to establish the Irish Islamic Chamber of Commerce (IICC). The strategic aim of the chamber is to add value to the Irish economy and to enhance Muslims contribution in the Irish economic growth.

The Chamber shall offer wide range of services such as:

- 1) Islamic Finance Compliance
- 2) Islamic Insurance Compliance
- 3) ZAKAT Auditing (Islamic Taxation)
- 4) Training & Researches
- 5) Publications
- 6) HALAL Food Certification
